Handling Arrangement / Supervising

We arrange handling facilities at most locations for any type of aircraft, from private, executive to chartered flights; from business, passengers to cargo flights. Our experienced staff gives you security when working with us. And we will be one single point of contact for all requirements.

Saving you time and costs, our handling agents will

- Supervise the movement and servicing of ground equipments on the ramp.
- Co-ordinate with any third party agents who are related to the flight to insure smooth flight from “start to finish”.
- Assist crew/passengers through Customs & Immigration formalities.
- Prepare necessary documents for arrival and departure.
- Do paper work related to aircraft operations: insure flight plans on ATC file, collect weather briefing & NOTAM and deliver to the aircraft before every flight.
- Provide captain/crew with airport diagrams and approach charts on request.

Customs / Immigration Assistance

T&T can help minimize the waiting time for crew and passengers through Customs & Immigration procedures.

Visa Arrangement

T&T can help arrange for visa on arrival. Personal details required from 2 to 3 working days prior to arrival day.

VIP Service

Private lounge for VIP where private Customs & Immigration procedures will be handled by our staff.

Prepaid Airport Fees

All charges incurred by your aircraft at airport will be prepaid by our company on your behalf (with preferential contract prices). This will eliminate the inconvenience may caused by language barriers, currency or credit differences. And most importantly, by this means, we will save you time.

Ground Transportation

We arrange crew and passenger transportation to hotel or during your stay at locations throughout Vietnam. Especially, we provide security escort services for executives, celebrities or government officers with security motorcade at some locations.

Executive and Aircraft Protection

We can help you protect your executives, crew and your aircraft.

Hotel Accommodations

We have Room reservation agreements with all three-, four- and five star hotels within Vietnam. Making a reservation through our company generally saves you from 20 to 60% off published room rates.

Refueling

Due to direct contract with fuel supplier we provide fuel at most airport locations at competitive prices.

Air Catering

T&T assists operators in booking air catering services. We co-ordinate with air catering Company to insure on-time delivery.

Travel

T&T provides cultural package tours to discover Vietnam - "The hidden Charm" as well as outbound tours customized to meet your requirements.

In close relations with local authorities

T&T maintains close relations with local authorities to insure smooth flight.

We believe we are "One-stop shopping point" on your journey.
